# **PRE-PACKAGED RACE CAR HAULER**

## **THE REVV™**

Wells Cargo® is excited to launch the newest addition to our race trailer lineup – the REVV. The REVV is a pre-packaged trailer. That means you get all the features and options on your “must-have” list as standard equipment. Not only does the REVV look great, but it was built with performance in mind. Inside and out, the REVV is a force that demands attention and delivers on all fronts.

Trailers shown may feature optional equipment available at an additional charge.
