The open car trailer model WACO79 ranges in length from 14' to 24'. It has a width of 8' or 8'6" depending on the length of the trailer. The WACO79 rides on tandem Dexter Torflex® axles with EZ-Lube Hubs and Electric Brakes. It also features stainless steel swivel D-Rings, removable fenders and ramps (2) that store underneath the trailer. Ask about the Power Tilt option that eliminates the need for rear ramps.
